Clackamas Community College Campus – Oregon City, Oregon

The Landscape Industry Certified Technician-Exterior (LICT-E) program is a source of great accomplishment and pride to NALP, OLCA and its' respective members. However, a successful Landscape Industry Certified Technician-Exterior (LICT-E) program is not possible without the commitment, time and financial support of our industry's many vendors, suppliers and volunteers. It is our hope that you and your company will help OLCA present another quality LICT-E test in 2018 by becoming a LICT-E sponsor.

To become a sponsor simply check the appropriate sponsor choice, complete all of this registration form and send it, along with the appropriate payment to the OLCA office. **All sponsors will be acknowledged in OLCA's newsletter, Oregon Landscape and on-site. Sponsors are encouraged to bring their company banner to display at the test site (as space allows).** Your support of our program is greatly appreciated!
