### **Tournament Rules and Registration**

Your registration includes: 18 holes of golf, shared cart rental, lunch & prizes.

#### **Golf Course Rules**

Each person is prohibited from bringing their own alcohol to this event. In the past there have been issues of attendees bringing their own alcohol, so if you do you will be asked to leave the course with no refund. Also, we need to remember to represent ourselves as industry professionals and represent OLCA, ASLA and the OLCA Portland Regional Chapter accordingly.

#### **Scramble Format**

In the scramble format, each player tees off, and the best shot is chosen from all four drives. Then, ALL members of the team hit from that spot. All succeeding shots are played in the same manner until the ball is holed out. One score is recorded for the team. The team must use each person's drive a MINIMUM of 2 times during the entire game. No one person's drive may be used more than 8 times. You MUST indicate whose drive was used on the score card.

#### **Mulligans**

Mulligans are available 2 for \$10.00. There is a limit of 2 mulligans per person. Only 1 mulligan per team will be allowed on any shot during the hole. You must mark on your scorecard which holes mulligans were used, and by whom. You may purchase mulligans at the registration desk.

#### **Team Winners**

Prizes will be awarded to the teams with the lowest gross and net scores. Net scores will be determined by using the Peoria scoring system. The Peoria s System is a 1-day handicapping system which allows a "handicap allowance" to be determined and then applied to each team's score.

#### **Tie-Breaker Rules**

Ties will be broken for first, second or third place net or gross using the USGA tie breaking method. In the case of a tie for first place, after determining the winning team, the losing team will go to second place position, and the current second place team will go to third place, and the third place team will not be eligible to win a prize. Teams can only win in the gross or net categories but not in both categories.

#### **Prizes**

1st, 2nd, and 3rd Low Gross Team | Hole #6 - KP (men or women -1 prize) | Hole #18 - Long Drive (men or women- 1 prize)  
1st, 2nd, and 3rd Low Net Team | Hole #13 - KP (men or women -1 prize)

**Threesome Rules:**

If your team is a threesome and not a foursome the following rules will apply:

1. The team will still play 4 balls each hole.
2. Members of the team will alternate in playing the fourth ball on each hole. For example, team member #1 will hit the tee shot and subsequent shots on the first hole the team plays until the hole is completed. On the next hole, team member #2 plays the extra ball until the hole is completed and then the next hole team member #3 does the same. On fourth hole the process is repeated and this pattern is continued until the round is finished.
3. The team may purchase two mulligans for the fourth ball.
4. The requirements for minimum and maximum drives will still be required for the fourth ball.
5. The fourth ball will not be eligible for KP's, long drive or long putt contest.
6. All other rules of the tournament shall apply.

**Starting Hole Assignments:** The number of your team is the hole number you will start on. If your team number also has a "B" that indicates your team will be the second team to tee off on that hole.

**Dress Code:** Traditional golf attire is required at all times. Men must have a shirt with sleeves and a distinct collar. No tank tops or tee shirts allowed. Ladies need to have either sleeves or a collar. Shorts of a mid-thigh length are allowed for both men and women, no cut-offs, swimwear or gym shorts. Shoes must have non-metal spikes or a flat soled tennis shoe.

**Registration Fees: \$110 per golfer**
